- The value of an investment may go down as well as up and past performance is not a reliable indicator of future performance.
- Trading may not be suitable for all types of investors as they carry a high degree of risk. You may lose all of your initial investment.
- Only speculate with money you can afford to lose.
- Changes in exchange rates may also cause your investment to go up or down in value.
- Tax treatment depends on the individual circumstances of each client and may be subject to change in the future.
- Please ensure that you fully understand the risks involved. If in any doubt, please seek independent financial advice. Investors should refer to the section entitled “Risk Factors” in the relevant prospectus for further details of these and other risks associated with an investment in the securities offered by the Issuer.
